

The new Saab 95 SportCombi

Enjoy space technology.

Get ready for the launch of the new Saab 9-5 SportCombi. An amazing turbocharged on-road experience. Featuring Scandinavian design and cutting-edge technologies with inspiring influences from our aircraft heritage. With loads of space and lots of innovative functional features. So, just check-in your luggage, fasten your seatbelt and prepare for take-off.

Electrically operated tailgate.

Conveniently operated by remote control as you approach the car. A memory function allows you to program a reduced opening height, ideal for when the car is in a garage.

Driving excitement.

With room for much more.

The new Saab 9-5 SportCombi is big news if you're looking for a sporty, versatile and spacious car designed with real-life safety in mind. A car where you can bring along your family, friends and leisure gear in perfect comfort. Take it for a spin and feel the turbo genes. The behind-the-wheel experience is exceptional. The cockpit wraps around you and as you drive you'll easily forget all the space that surrounds you. It's just you and the car.

Fresh interior.

With new materials, structures and colour combinations, the Saab 9-5 SportCombi interior is designed to underline the sense of integrity and spaciousness.

Saab Infotainment Navigation.

Voice-controlled and easy-to-use system with outstanding capability when it comes to entertainment, navigation and communication. Features an 8" colour touchscreen, 10 GB hard drive space for music and AUX and USB connections.

The cockpit.

In the driver's cockpit everything is designed around you. The instrument panel and centre console are angled and curved. All the functions you use frequently while driving are in front of you, on or around the steering wheel. Take just one look at the aircraft-inspired instruments and you'll clearly sense our genes.

DriveSense.

Twist a control knob to choose between Comfort, Intelligent and Sport settings. DriveSense™ monitors the car's handling and the driver's actions. In Sport mode it adjusts suspension, steering, engine, automatic transmission and Saab XWD™ torque distribution for maximum agility.

On the road.

Drive the new Saab 9-5 SportCombi and experience the way you engage all your senses. You're truly involved and can enjoy consistent road manners with instant response to your every input. Agile and sporty beyond expectation.

Rear view camera with park assist.

Helps enhance the view to the rear when parking. The system senses steering angle and displays a virtual image of your direction on the infotainment screen.

Innovative versatility.

The luggage compartment of the new Saab 9-5 SportCombi has innovative features such as integrated shopping bag holders and a wet-storage compartment. You can also choose the ingenious U-rail CargoTrack with telescopic divider that helps keep luggage in place during normal driving.

Saab XWD.

The Saab XWD™ cross-wheel drive system continuously senses your driving style and the road conditions. It then actively helps improve the car's behaviour on the road. What you feel is better grip, faster acceleration, more agile cornering and improved stability. In all kinds of weather.

Saab 9-5 fuel consumption and emissions.*

Combined driving according to 1999/100 EC: 5.4–10.1 l/100 km; CO₂: 143–238 g/km (TiD⁴ man – Turbo⁶ XWD auto).

*Figures are estimated. Final certified figures are not available at the time of printing.

Child seats.

Choose from our range of child seats available from Saab Genuine Accessories.

All-turbo engine range.

The new Saab 9-5 SportCombi features an extended all-turbo engine range. Whether you prefer a car that runs on petrol, diesel or renewable bioethanol, you can count on excellent mid-range torque for rapid acceleration when overtaking.

Roof rack.

Can be combined with other accessories for loading and transportation. Available in aluminium or black coated steel.

Cargo holders.

Choose from our range of roof rack accessories to bring your skis, bikes, surfboards, kayaks and more.

Cargo guard and space divider.

Metal guard that separates the passenger and luggage compartments. Can be fitted with the cargo space divider. Convenient for separating fragile loads from more solid items or when travelling with pets.

Towbars.

Choose between a new swiveling, a fixed and a removable/lockable towbar. Including enhanced Trailer Stability Assist function.

**SAHR 3.**

In the front seats of the new Saab 9-5 you'll find the third generation Saab Active Head Restraints.

Roll-over sensing system.

Designed to be activated if an imminent rollover is detected by the system's sensor. Deploys the curtain airbags and the seatbelt pre-tensioners.

Lane Departure Warning.

Designed to detect and warn if you unintentionally cross the lane markings at speeds above 60 km/h. (Optional)

Euro NCAP.

Engineered for 5-star EuroNCAP performance, based on the already tested 5-star 9-5 Sedan (2009). For more information about the new Saab 9-5 results and the independent Euro NCAP safety institute, please visit www.euroncap.com.
